

## **Middle Kentucky Transportation Accessibility**

Middle Kentucky Transportation is committed to serving persons with disabilities. We will provide services that make their transportation needs possible.

Middle Kentucky Transit will make reasonable modifications/accommodations to its operating policies, practices, and procedures to ensure program accessibility. Some exceptions apply. These exceptions include when the modification or accommodation would: cause a direct threat to the health and safety of others, is not actually needed for the client with a disability to access the service or an undue financial and undue financial and administrative burden for Middle Kentucky.

If you would like to request a reasonable modification prior to utilizing that service you may do so by contacting Amanda Wallace, HR Manager at (606) 666-2452 or by email at [mkhroffice@mkcap.org](mailto:mkhroffice@mkcap.org).
